results. learning and using their knowledge, skills, and motivation to engage communities in conservation action and to achieve to help them advance their environmental vision and leadership skills. The objective is to fund innovative community

The Toyota TogetherGreen Fellowship Program will award forty $10,000 fellowships to promising and proven individuals Applications are now open for year six of the Congratulations Tom and Lindsey! Tom and Lindsey credit instructors Jeanne Murphy and Brian Lane as their inspiration, stating “they are an awesome we have done to help support the mission of the FMNP. We would like to share the first of many photos we hope to publish in upcoming newsletters of our Advanced Florida

Are you interested in starting a FMNP chapter in your universities to develop a horseshoe crab monitoring fundraiser, and enjoy insightful presentations by the together for a fun evening to celebrate the achievements In addition to the chapter’s outreach and educational activities, members also plan numerous special events throughout Steponaitis.

FMNP Chapter Spotlight: Friends of Pinellas Master Naturalists The objective of the Friends of PMN is “to create and execute public environmental education programs promoting the small but motivated group of graduates interested in supporting the mission of the FMNP and

first of these developed was the Pinellas County FMNP Chapter, now known officially as the
